COMPANY,

Proprietors,

PERRY, Lake County, Ohio.

Press of J. B. SAVAGE, Cleveland.

REMARKS.

Our stock for Spring, in quality, quantity and assortment cannot be excelled, we believe. We shall be pleased to do business with any who are desirous of getting good stock at reasonable rates.

Correspond with us, and if possible call and see us; it will cost nothing to look if you do not buy.

Perry is situated 35 miles east of Cleveland, and six miles east of Painesville, on the direct line of the Lake Shore & Michigan Southern and N. Y. C. & St. L. (Nickel Plate).

We will gladly price anything not found on this list, which we probably have in smaller quantities.

TO DEALERS.

No stock will be allowed to be brought on our grounds from other growers except by special permission.

When an extra or selected grade of stock is wanted better than first-class, a price will be charged accordingly. Positively no deviation from this rule will be made.

No stock will be counted back from the heeling in ground after bill is accepted and packing commenced. Please, therefore, do not ask it, for you will surely be refused.

Spring packing season generally begins about March 15th, according to weather.

Cost of boxes is as follows:

No. 1, 30 inch head,	8 to 9 feet long,					$3 00
No. 2, 26 "	"	"	"	"		2 50
No. 3, 22 "	"	"	"	"		2 00

No. 5, 14 "	"	"	"	"		1 00
No. ½, 30 "	"	10 to 12	"	"		3 50

Bales 25 cents to $2.00 each, according to size.

Dealers' orders must amount to $50.00 in the aggregate to be entitled to the lowest rates quoted.

Please make out aggregates according to this list, giving size, age or grade of stock wanted.

We furnish moss, straw, labels and help to bill up and pack in cases free of charge, but the dealer must superintend all and assume all risks. Where twine, rope or burlap of any kind is wanted, we make a charge only sufficient to cover cost.

A discount of 5 per cent. is given from the entire prices of this catalogue for cash before shipment of goods, but in no case will any discount be allowed unless cash reaches us before shipment is made. In figuring on orders, please take into account this "Off."

A good boarding house is on the grounds, furnishing accommodations at very reasonable rates.

We exercise the greatest care to have all our trees, etc., true to label, and are always in readiness on proper proof, to replace all such as prove otherwise, or refund amount paid for such; but it is mutually agreed between the purchaser and ourselves that we are in no way responsible for any sum greater than original amount paid for stock that proves untrue.

All goods delivered at freight or express office here free of charge. Please give us a call before buying. We can save you money. Remittances may be made by New York draft, registered letter, American express order or postoffice money order, payable at Perry, (Perry is now a money order office); in any case in favor of
